

Hot Air Expeditions

YOUR ARIZONA HOT AIR BALLOON FLIGHT EXPERIENCE...

Ballooning is an exhilarating experience for everyone - from the neophyte adventurer to the seasoned veteran, from the young to the more mature. "A magic carpet ride" and "riding on a cloud" are two phrases that have been used to describe the beauty, exhilaration and gentleness of ballooning. Even though you travel at speeds of five to six miles per hour, there is virtually no sensation of motion because you are flying with the wind.

UP, UP AND AWAY...

As you gently leave the Earth, you'll be amazed at how light the balloon feels. During the flight you have an unobstructed 360-degree view to take excellent photographs.

We generally fly close to the ground, usually under 400 feet. At this altitude you are able to see the sights and sounds of desert life. We commonly see jack-rabbit, quail, roadrunner and coyote. From time to time, we encounter deer, javalina and other desert animals. The pilots often decide to rise higher in order to give you a marvelous overview of the valley.

BACK TO EARTH AGAIN...

You are greeted in the traditional manner with flutes of champagne and scrumptiously prepared gourmet food. First-time riders will be treated to the legendary ceremony that balloonists all over the world have been sharing for more than a century. Then, almost magically, carpeting appears on the desert floor beneath your feet along with a lovely table complete with linens and china, a clue to what you are about to enjoy!

This beautiful balloon ride for two is valued at \$350.00, but will go to the highest bidder at noon on February 13th. This excursion would make a fabulous Valentine's Day gift!
